ON A *serious note*

- **Stick to the plan**, folks! If you're late, join late, or leave early, we can't offer refunds. Unused services during the trip? Non-refundable too.
- We're not responsible for **costs caused by surprises** like accidents, theft, or **unexpected changes due to natural disasters** (like landslides or floods), strikes, government orders, or bad weather.
- Mother Nature can be unpredictable! **The itinerary might shift** due to surprises, but hey, that's what makes it an adventure!
- While we work with some fantastic third-party vendors for transport and stays, mishaps can happen. **Safarwallah isn't liable for issues caused by these vendors**, but we'll do our best to sort things out if something goes sideways.
- Travel insurance? Sorry, we don't provide that. But hey, it's always smart to get yourself covered with a good travel insurance plan before the trip. Better safe than sorry!
- If **unexpected expenses crop up** or plans change because of things like weather, roadblocks, or strikes, you'll need to **settle those costs on the spot** with our POC or trip coordinator.
- Need an Early Check-in, Late Check-out, or a room with a view? Sure thing, but these extras depend on availability and will cost a little more. Handle it directly with the hotels, and you're good to go!
- Remote adventures sometimes mean **limited resources**. If things aren't perfect, let's go with the flow—it's all part of the charm of exploring the unexplored!
- Respect the mountains, the people, and the places we visit. And keep your belongings safe—we're all about adventure, but we're not magicians who can make lost stuff reappear.
- Sharing a room with two others? No extra beds, but cozy mattresses are provided for a comfy night. Rotate, relax, and let's make it fun!
- **Pack a reusable bottle, skip the plastic, and leave no trace.** Let's protect and love the outdoors, ensuring it's just as beautiful for the next adventurer.
- Your rental bike has seen some action (20,000-30,000 km!), so treat it well, and it'll treat you well.
- **Breakdowns? No worries! Our backup team's got your back.**
- Hotel/camp staff may take a little longer to respond. They're doing their best—patience is key!
- Riding gear? Standard sizes only. Plus-size and small-size riders, plan accordingly!
- **Hot water in remote areas is a luxury**, thanks to government electricity restrictions. So, embrace the chill!
- **Timings & distances in the itinerary are just estimates.** Reality might have other plans!
- **Final trip details (hotel, driver, trip captain) will be shared 2-7 days before departure in our WhatsApp group.** Stay tuned!
